Subject: S.B. 72 AN ACT CONCERNING LIABILITY FOR THE GROWING OF RUNNING BAMBOO.

Please include this provision in the proposed bill: Declare running bamboo a nuisance with a 40 foot setback on existing bamboo.

This nuisance plant is a threat to the most valuable thing most people own, their home, which includes the property surrounding it. This provision will help protect the homeowners who are threatened by the careless use of this plant on neighboring property. A man's home is his castle and it should be protected by the state whenever it can be.

Thank you for your consideration of this provision to S.B. 72.
